

Foreword

Once again it is my pleasure to welcome all West Warwickshire members to another season's rally programme. I extend a warm welcome to those of you who have registered with this centre, but who so far do not enjoy the pleasures of weekend rallying. I ask the question "Are you getting the most that you can from your caravan or motorhome?" Modern outfits are built to provide warmth (and coolness) for all seasons, and will have battery power more than adequate for a weekend. Many of our rallies have been booked at sites where mains power is available. Our rally fees are considerably lower than the rates charged by commercial sites. Whilst we frequently have social gatherings either on the field or at a local hall, nothing is obligatory and members come or do not at their own choice.

If you do not feel like making the commitment of booking into a rally, why not select one from the programme and take a drive out to visit us. Contact myself or any committee member, and we will arrange to meet you and introduce you to the membership.

Brenda and I look forward to enjoying time with you on as many of our rallies as we can get to.

Bob Munnoch

RALY COSTS AND OPENING TIMES

Prices given for rallies are printed only as a guide, and may be changed without notice. All bank holiday weekends and holiday rallies are PREPAID 14 days prior to the rally. Members are reminded, unless otherwise stated, Weekend rallies do not open until FIVE O'CLOCK on Friday evenings. Bank Holiday rallies will normally open at 12 Noon. But please check with the Stewards beforehand. All rallies will close at 5 pm unless otherwise stated.

PLEASE DO NOT IMPOSE ON THE STEWARDS BY ARRIVING EARLY.

They have to set up their own outfits, the site equipment and rally signs beforehand and have full authority to refuse entry to early arrivals.

PLEASE DO NOT IMPOSE ON THEM by staying late, not only are they responsible for ensuring the site is secure, they also have homes to go to.

CENTRE REGISTRATION CARDS

You are reminded that Centre Registration Cards should be returned directly to Club Headquarters at East Grinstead, or register at the Caravan Club Website as soon as your membership is renewed. Failure to do so will reduce the amount of the Centre's grant, and you will not get a rally book next year. Please write clearly on your cards, and in full, as it has been known for West Warwickshire registrations to find their way to West Wales.

WEST WARWICKSHIRE PHOTOGRAPHY COMPETITION

The Photographic Competition has one category. A scene taken on or from a West Warwickshire Rally or Centre Event.

The Competition will be judged by members at the AGM.

Rules:

- a. Only prints will be accepted, maximum size allowed 7" x 5".
 - b. Name, address and phone number must be entered on the back of the print, not on the front, with brief details of the print.
 - c. The photograph must have been taken during the 2016 and 2017 rally season. Photographs must be handed to a committee member by Sunday 24th September.
-

BOILERS

The Centre has both Gas and Electric Boilers. These are available to Centre members when running a rally. They must only be used to boil water, and must be collected from and returned to the Equipment Officer. A gas bottle can be made available for anyone using the boiler or providing hot food on a rally. Contact Equipment Officer for details.

STEWARDS FOR 2018

The list of proposed rallies will be published in the 'Rallier' and the Centre Website in the Summer. Anyone who wishes to steward one or more of these rallies should forward their requests to any member of the committee two weeks before the AGM. Stewards will be finalised on the evening Social at the AGM.

FELLOWSHIP AND SPECIAL AWARD PLAQUES

Any member attending at least 8 West Warwickshire Rallies is entitled to a Fellowship Plaque. Please advise the Secretary on completion. These plaques will be presented at the AGM.

Similarly anyone reaching their 50th rally with the Centre, or any multiple of 50 should indicate this if they wish to receive a commemorative plaque. These plaques will be presented as they occur or at the AGM.

CENTRE CHARITY

A big thank you to everyone who supported West Warwickshire's Charity last year. We were able to hand over a cheque for £1,500 to the Warwickshire and Northamptonshire Air Ambulance at our AGM last October. We will continue to support the Air Ambulance in 2017. So please continue to buy cards and books on the rally field and pass on any books you no longer require to myself.

GAIL WILTSHIRE. Charity Co-ordinator.

THE RALLIER

A copy of the Centre's own news sheet (The Rallier) can be found on the Centre's website, and can be downloaded. A paper version will also be produced for distribution at rallies.

The Rallier will still include Centre news, rally reports, forthcoming events, sale items and anything else the members would like to see. If you have any material for the Rallier, please send it to the Rallier Editor.

MARGARET WILTSHIRE. Editor.

A MESSAGE FROM YOUR RALLY SECRETARY

Welcome once again to this year's programme of rallies that I have booked. I have tried to vary the venues once again and have tried to include some new venues, so hopefully there will be something that will tickle your fancy. At the time of writing this message we will still need some Stewards for some of the rallies, so if you're up to running a rally please let me or any other committee member know if you can take one on board.

See you on the field.

DAVID HAWKSFORD, Rally Secretary

WEBMASTER

Hi everyone. This time last year I was putting the finishing touches to a revamped Centre website. The new website launched early last year and I am happy to say has received a very positive response. This year then, having found a popular format I'll stick with the same design and just update the details (rallies, committee etc). The 2017 update should be 'live' around the same time as this rally book is circulated to members.

In addition to the website we also have a Facebook group for the Centre. This allows immediate contact and messaging between registered members. If you would like to join the group, please contact me and I'll add you – webmaster@westwarwickshirecentre.co.uk.

DAVE VARLEY, Webmaster.

PLAQUE OFFICER

Hi everyone. This will be my first year as Plaque Officer, so wish me luck! You may have noticed that last year for weekend rallies plaques were 'home' made, rather than purchased from a specialist plaque maker. This greatly reduced the cost of purchasing plaques and gave us much greater flexibility in terms of plaque content. The Committee has agreed that, given the rising cost of purchasing from specialist makers, we can go a step further and this year also make holiday plaques. This will reduce the cost of plaques going through the Centre's accounts to a very small amount. At this stage there is no plan to 'home' make special plaques such as anniversary rally (eg 50th. rally, 100th. rally etc) or visitor plaques.

DAVE VARLEY, Plaque Officer.

NOTES FOR NEW RALLIERS

WHAT TO EXPECT ON RALLIES.

If you have never been on a rally before, the West Warwickshire Centre would be very happy to welcome you to any of the rallies listed in this rally book. Our rallies are simply a gathering of Caravan Club members for a weekend or so to promote friendship and pursue the many pleasures of caravanning.

The rally stewards are just ordinary people who have volunteered their time to organise and run the rally. Their duties include liaising with landowner, signing the approach to the rally, managing facilities for water, waste water and elsan disposal. Often they may arrange a programme for the entertainment of those on the rally – a quiz, a ramble or a social, maybe a BBQ. Although you should never be obliged to join in anything that does not interest you.

In addition to the items you usually take to a commercial site, you also need to provide your own sanitation and a water container to fill it (toilets must NEVER be taken to the drinking tap as this is a serious health risk). You will also need a waste bag to take away your dry waste. Also simple wedges to level your caravan may be useful.

To book into a rally simply fill in one of the enclosed slips and send it with at least 7 days notice, (unless it is a pre-paid rally when it should be sent with the payment 14 days before the rally) to the appropriate stewards. When you get to a rally, follow the directions as detailed for the rally in this Rally Book. As you near the site watch for rally signs which have black **WWCC lettering and direction arrows on an Orange background.**

When you arrive at the site please book in with the Stewards (Rally Officer) and let them know this is your first rally. They will give you details for water and waste facilities etc. and direct you to your pitch.

Towards the end of the rally there is a “Flag Meeting” where the rallers gather to hear the results of any competitions, centre news, and extend their thanks to all who have contributed to the rally.

Please come along to a rally – you will be made to feel welcome and hopefully the experience will open up a new branch of caravanning for you to enjoy in the future. If you are in any doubt or would like further information please do not hesitate to contact the appropriate steward or any Committee Member who will be happy to answer any question you may have.

We look forward to seeing you on the rally field.

CENTRE RULES

The following rules apply to all Caravan Club members attending rallies .Members should also follow "The Caravan Code" within the Caravan Club sites Directory and Handbook

For Bank Holiday and other rallies as indicated in the book, payment must be included and reach the stewards not less than 14 days prior to the rally. All rally fees shall be paid to the Stewards on arrival in cash unless they have been prepaid. All cheques must be made payable to West Warwickshire Centre Caravan Club and not to any individual.
- West Warwickshire Rally Signs (orange with black lettering) will be displayed on the approaches to rally sites. Directions given in the Rally Book are for guidance only and should be used in conjunction with other mapping tools.
